Here’s how your sponsorship could help:

£10 could buy a school uniform for a child living on the streets of Ghana, which they need to go to school so they can get vital skills and work towards a brighter future.

£15 could pay for six people in the UK with dementia to take part in a therapeutic workshop to enhance their self-confidence and communication skills.

£20 could fully vaccinate five children in Malawi against a deadly virus that causes diarrhoea and kills more than 600 African children every day.

If you pay UK tax* and tick the Gift Aid box the Government will give us 25% on top of your donation. We use this to help cover our running costs. It won’t cost you a penny.
